

*30 miles over 30 days  
to celebrate 30 years*

## **Be a part of a brand new, virtual walk experience!**

Habitat NOVA is celebrating our 30th anniversary this year! To commemorate with all our amazing supporters, we are hosting a virtual, interactive walk where you will discover and trace our milestones along the way. It's not just for walkers: everyone can participate and enjoy any type of activity from any location. Join us for a fun way to stay active and support our work for the next 30 years!

## **What is a virtual walk and how does it work?**

Once you sign up, you will receive an email with a link to our Movespring map where you will be able to join the event, track your miles and follow along with our interactive map. You can download the Movespring app and connect your fitness tracker to automatically track your steps or you can manually enter your miles.

As you move, you will follow along our map where you'll be able to discover and trace our milestones along the way. You can also connect with other participants and share your journey as you complete the challenge. We will have a special walk playlist, as well as an online photo album on facebook where participants will be able to share photos as they move with fellow walkers and their friends and family.

**Registration occurs October 12th to October 31st**

**Walk Towards Home Event will start on November 1st and end on November 30th**

**Each participant who registers by November 1st will receive a special gift, delivered to their home.**

### **Registration Fees:**

**\$40 per person**

**\$20 per child (13 years or younger) - each child will receive a registration packet but will track their miles under a parent or guardians account**

**Don't miss out on all the fun! Sign up at [give.habitatnova.org/walk](https://give.habitatnova.org/walk)**
